

Dr. MUTASIM MOHAMED EL KEAR MANSOUR

Associate Professor
Computer Science and Information Department
College of Science, Zulfi
Majmaah University

Street Address:	Mailing Address:
Main Campus	P.O. Box 1712
Zulfi	Zulfi 11932
Saudi Arabia	Saudi Arabia

Telephone:	+96616404-4444
-------------------	-----------------------

Mobile	+966550224680
---------------	----------------------

Fax:

E-Mail:	mm.elkir@mu.edu.sa
----------------	---------------------------

Office:	Room S271
----------------	------------------

Link to Homepage:	https://faculty.mu.edu.sa/mmelkir/
--------------------------	--

Research Interests:

Systems analysis and development

Software Engineering

Language Skills

Arabic, English

Qualification (Career and University Education)

1989-1993	B. Sc. Degree (Science and technology)	University of Al Jazeera Sudan
2003-2005	M.Sc. Degree (Computer Science)	University of Al Jazeera
2010-2013	PhD Degree (Information Technology)	University of Academy of Sciences Sudan

Career

1994 -1996	Teacher assistant - Faculty of Education, University of Nile Valley Sudan
1997 -1999	Teacher (collaborator) Centre for Studies and Research Development - Computer Department - University of Khartoum
1999-2002	Head Department of Computer and Information Technology - Computer Center University of Nile Valley - Sudan
2002-2012	Director of the Computer Center and Information Technology University of Blue Nile Sudan
2013-2014	Assistant Professor And director of distance learning center University of Blue Nile Sudan
2015-2018	Assistant Professor and Supervisor of computer science department Majmaah university college of sciences and humanities – hawtat sudair

Publications

Mutasim kear, The effect of automated processes on the effectiveness of computerized systems, Journal of Omdurman Islamic University,2018.

Mutasim kear, The impact of re - engineering of administrative processes on the development of computer systems, Journal of Omdurman Islamic University.

Teaching Experience

Course name

structural programming (C language)	<i>Computer and Information Technology Center</i>	<i>Nile Valley University</i>
object oriented programming language (C++)	<i>Computer and Information Technology department</i>	<i>Blue Nile University</i>
data structure and Algorithms	<i>college of sciences and humanities – harwat sudair</i>	<i>Majmaah university</i>
operating systems	<i>Computer and Information Technology Center</i>	<i>Nile Valley University</i>
Software engineering	<i>college of sciences and humanities – harwat sudair</i>	<i>Majmaah university</i>
information system	<i>college of sciences and humanities – harwat sudair</i>	<i>Majmaah university</i>
systems analysis and design	<i>Computer and Information Technology department</i>	<i>Blue Nile University</i>
HCI	<i>college of sciences and humanities – harwat sudair</i>	<i>Majmaah university</i>
Data base (SQL / PL)	<i>Computer and Information Technology department</i>	<i>Garden City university</i>
Linux	<i>Computer and Information Technology department</i>	<i>Garden City university</i>
Computer ethics profession	<i>Computer and Information Technology department</i>	<i>Blue Nile University</i>
<i>Software applications</i>	<i>Computer and Information Technology department</i>	<i>Blue Nile University</i>
Programming principles	<i>Computer and Information Technology department</i>	<i>Nile Valley University</i>

Training Experience

Expert on the implementation of the United Nations goals for sustainable development 2018

Academic Supervision Workshop, Sudan Open University 2006

Courses and workshops in the field of e - learning - - University of majmah 2018

Participation in the workshop and preparation of computer science and information technology programs

Participation and Presentation of a Seminar on Computer Science "- Rabat National University 2005
