

Faculty of Sciences and Humanities in Alghat in cooperation with Institute of National Riyadat Ala'amal in Alzulfi held a workshop "Define Your Project". The Faculty students were introduced to some ways of defining successful ideas and compatible with great investment opportunities to spread the culture of freelancing. This workshop comes within the framework of cooperation between Faculty of Sciences and Humanities in Alghat with National Riyadat Ala'amal Institute in Alzulfi. In fact, an agreement was signed between the two aforementioned parties that aim to qualify and motivate the students to get actively involved in the labor market after graduation. The Dean of the Faculty Dr. Khaled Abdullah Alshafi extended thanks and appreciation to Institute of Riyadat Ala'amal in Alzulfi as well as to the colleagues in Department of Business Administration for this distinct initiative aiming at improving the skills and abilities of students
