**Minutes of Workshop
Cyber Security and Cyber Security services**

The Community Service workshop had been conducted on 27 November 2019 under the Deanship of Community Services, at Community College, Majmaah University, and another event on 11 Nov 2019 CCIS female under the Deanship of Student Affairs.

Target Audience: 1. Community College students, General public females, CCIS female students and faculty

Venue-Community College - Number of attendees:17

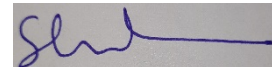

Venue-CCIS Female Campus - Number of attendees:19

Impact of the Community Workshop:

The objective of the workshop is to make the awareness among the students and teachers about "What is cyber security and the Day-to-day role of cyber security". Some activity on phishing identification was given to educate the audience about Phishing mails and Web sites as well as games were played to set correct passwords to protect the system from cyber-crimes.

Sort of awareness was created to the Women and Children about how to handle social websites and keep children away from hazardous games and web contents.
