

In reference to the draft plans of Vice Presidency for Academic affairs to visit the faculties of the university, Faculty of Medicine was the second move

In line of the continuation of what His Excellency the Vice Rector for Academic Affairs has planned for of implementing the large-scale project of the Vice Presidency, which is revolving around visiting the Colleges of the University , and in line with the movement of advancement as well as the developmental project which the university is passing through, where this kind of developments is clearly seen since the Vice Presidency for Academic Affairs has been commissioned to His Excellency, Prof. Mohammed Bin Othman Al Rukban, the designated working team visited the School of Medicine on Saturday 03/06/1434 H.

This visit comes within an integrated project that aims to enable the working team chaired by the Vice Rector for Academic Affairs, Prof. Mohammed bin Othman Al Rukban, to visit all the faculties at the university that are located

in Majmaah Governate or those that are located in other Governates as well as the centers that are located outside Majmaah Governate to have a look on the current situation of the educational process in these colleges

The working team consisted of six of Vice Presidency's advisers headed by His Excellency the Vice Rector for Academic Affairs, Prof. Mohammed bin Othman Al Rukban. The aim of the visit, as is the case for the coming visits draft, to promote the knowledge of the programs and activities of the college and also poll the views of the beneficiaries of the college, to talk about the coming march of the Vice Presidency for Academic Affairs .
