

## Ibrahim Alsaduni

+966.16.404.2522

Kingdom of Saudi Arabia Majmaah University P.O.  
Box 1803 Majmaah

I.Alsaduni@mu.edu.sa

### EDUCATION

WESTERN MICHIGAN UNIVERSITY, Kalamazoo, MI, USA  
Electrical, Computer Science, and Engineering Dept.  
*Ph.D. candidate*

Jan 2014 - Present

#### Research interests:

Electrical Power System and Control System.

M.S. Electrical Engineering  
B.S. Electrical Engineering,  
Dean's List Honor

July 2012  
December 2010

### WORK EXPERIENCE

MAJMAAH UNIVERSITY, Majmaah, KSA  
Department of Electrical Engineering,  
*Faculty member*

Jan 2014 - Present

MAJMAAH UNIVERSITY, Majmaah, KSA  
Department of Electrical Engineering,  
*Lecturer*

August 2012 - December 2013

WESTERN MICHIGAN UNIVERSITY,  
Kalamazoo, MI, USA  
Waldo Library  
*Student Assistant Staff*

July 2007 - December 2009

### AFFILIATION AND AWARDS

- Member, Institute of Electrical and Electronics Engineers (IEEE), since 2008.
- Member, Eta Kappa Nu, the International Electrical And Computer Engineering Honor, Inducted 2011
- Member, Muslim Student Association, since 2007.
- Student Counselor, Saudi Student Association, since 2008.
- Three annual certificates for dedication and commitment to quality as a student employee.

### TRAINING AND SKILLS

- Training, Project Management Professional (PMP) Preparation, Lawrence Technological University, 2012
- Training, Strategic Thinking, Lawrence Technological University, 2012
- Training, Programming Low-Cost Hardware with MATLAB and Simulink, Mathworks Inc, 2015.
- Electric design and software:
  - PSpice, Matlab, Maple, Multisim, PowerWorld Simulator user interface, and Power Systems analysis tools.
- Feedback and Control Systems design
- Hardware design and verification
