## **Curriculum Vitae**

### **Personal Data:**

**Name:** SAMI NUSRLELDEEN ABDELWALLY ELJAK  
**Nationality:** Sudanese.  
**Place of Birth:** Jazera State, Sudan  
**Date of Birth:** March 16<sup>th</sup>, 1983  
**Gender:** Male  
**Religious:** Muslim  
**Marital Status:** Married

### **Address In Sudan:**

Elthawra (52) - Omderman – Khartoum State - Sudan.

### **Address In Sudia Arabia:**

Al-Ghad International College, Abha.

Abha, Sudia Arabia

### **Education and Qualification :**

**University :** Sudan University of Science and Technology, College of Medical Radiologic Scinces

Khartoum – Sudan

**Secondary School :** Ombada Secondary School

Omdurman – Sudan

**Primary School :** Alhareth Bin Omair School

Jazera State – Sudan

## Academic Qualifications :

- (2013 To 2015)**                      **M.Sc in Diagnostice radiologic Technology**  
Sudan University of Science and Technology -Sudan  
College of Medical Radiologic Scinces  
Khartoum – Sudan
- (2001 To 2005)**                      **B.Sc (Honours) in diagnostic radiologic Technology**  
Sudan University of Science and Technology -Sudan  
College of Medical Radiologic Scinces  
Khartoum – Sudan

## Experience:

- (2010 - 2013)**                      Training Supervisor & Clinical Instructor – Al-Ghad  
International Colleges For Medical Appied science.  
Abha –Saudi Arabia
- (2007 To 2010)**                      Lecturer – Radiology Department - International academy for  
Health Sciences  
Hail –Saudi Arabia
- (2005 To 2009)**                      Radiology Technologist – Radiology Department -Asia  
Hospital  
Omdorman –Sudan
- (2005 To 2009)**                      Radiology Technologist – Dr. Abdulaziz Aboduraa  
Radiological Clinic  
Omdurman –Sudan

## Training Courses:

Organization Party	Topics	Place	Date
Al-Ghad International Colleges for Medical Applied Sciences	Nursing Leading the way.	ABHA - KSA	April, 17 <sup>th</sup> (2014)
Saudi German Hospital	Aseer Dermatology Fourm.	ABHA - KSA	May, 6 <sup>th</sup> (2011)
Saudi Health Association	Cardiopulmonary Resusciation.	HAIL - KSA	July, 14 <sup>th</sup> (2009)
King Faisal Specialist Hospital & Research Center	7 <sup>th</sup> Emergency Medicine Update Symposium.	HAIL - KSA	April, 11 <sup>th</sup> -12 <sup>th</sup> (2009)
College of Health Sciences	<ul style="list-style-type: none"> <li>❖ Radiology request and Reports.</li> <li>❖ Requesting &amp; reporting Practical Practice.</li> <li>❖ Role of CT in Head Trauma.</li> <li>❖ CT anatomy of the Chest .</li> </ul>	HAIL - KSA	May, 25 <sup>th</sup> (2008)
College of Health Sciences	<ul style="list-style-type: none"> <li>❖ Hepatocellular Carcinoma.</li> <li>❖ Radiation Protection.</li> <li>❖ Role of MRI in Knee Trauma.</li> <li>Pelvi – Abdominal Calcification in US.</li> </ul>	HAIL - KSA	May, 24 <sup>th</sup> (2008)

Organization Party	Topics	Place	Date
International Academy For Health Sciences	Teaching methods and strategies.	HAIL - KSA	May, 1 <sup>st</sup> (2008)
International Academy For Health Sciences	Teaching Planning	HAIL - KSA	May, 1 <sup>st</sup> (2008)
International Academy For Health Sciences	<ul style="list-style-type: none"> <li>❖ Successful Teaching Skills.</li> <li>❖ Educational Measurment &amp; Evaluation.</li> <li>❖ Personal communication skills.</li> <li>❖ Powerpoint</li> <li>❖ Principles of computer.</li> </ul>	HAIL - KSA	April, 17 <sup>th</sup> (2008)
College of Health Sciences	<ul style="list-style-type: none"> <li>❖ Nursing Process.</li> <li>❖ Arterial blood Gas Analysis.</li> </ul>	HAIL - KSA	January, 10 <sup>th</sup> (2008)
College of Health Sciences	<ul style="list-style-type: none"> <li>❖ Fundamental of radiology</li> <li>❖ Radiation Hazard &amp; protection.</li> </ul>	HAIL - KSA	January, 10 <sup>th</sup> (2008)
College of Health Sciences	<ul style="list-style-type: none"> <li>❖ Hepatitis</li> <li>❖ Enzymes and tissue specific isoenzymes in clinical diagnosis</li> </ul>	HAIL - KSA	January, 9 <sup>th</sup> (2008)
College of Health Sciences	<ul style="list-style-type: none"> <li>❖ Pulmonary Delivery Drug System.</li> <li>❖ Pharmacology of Autonomic nervous System.</li> </ul>	HAIL - KSA	January, 9 <sup>th</sup> (2008)

## Conferences and Workshops:

Workshop	Topics	Place	Date
Al-Ghad International Colleges for Medical Applied Sciences	How to Write Exam.	ABHA - KSA	December, 24 <sup>th</sup> (2013)

- ❖ Registration in the: Sudanese National Council for Medical & Health Professions.
- ❖ National Service : Done the national service.
- ❖ Registration in the: Saudi Commission for Health Specialist.

## Skills: (Knowledge & Skills in Radiology):

- ❖ Clinical investigation such as: Routine, special, CT, MRI, US and interventional.
- ❖ Quality control of dose calibrator.
- ❖ Administration of radiology department.

## Other skills:

- ❖ High degree of self -starting motivation to perform individual work.
- ❖ Very high interest in learning and a desire to succeed.
- ❖ Full adaptation to work within the team.
- ❖ The ability to perform under pressure at work.
- ❖ Enjoy a good ability to build constructive social relations.
- ❖ Good communication skills
- ❖ Good organization skills
- ❖ Good Social Work and handling people
- ❖ Computer (Microsoft Office, Word, PowerPoint, Excel, FrontPage, Internet Explorer)
- ❖ Adobe Photoshop
- ❖ Driving

## Activities:

- ❖ Internship supervisor in medial imaging technology department in Al-Ghad International College for Medical Sciences,
- ❖ Head of Graduates committee in Al-Ghad International College for Medical Applied Sciences, Abha –Saudi Arabia.
- ❖ Participated in The Examination Committee in Al-Ghad International College for Medical Applied Sciences, Abha –Saudi Arabia

## Courses Taught:

- ❖ Introduction to medical imaging
- ❖ Radiation physics & Instrumentation
- ❖ Anatomy and physiology 1
- ❖ Principles of Image Formation
- ❖ Patient Care Procedures
- ❖ Digital imaging and informatics
- ❖ Radiation biology and safety
- ❖ Basic Radiographic Procedures
- ❖ Special Radiographic Procedures
- ❖ Principles of Magnetic Resonance (MRI)
- ❖ Principles of Computed Tomography (CT)
- ❖ Basic Procedures of Magnetic Resonance (MRI)
- ❖ Basic Procedures Computed Tomography (CT)
- ❖ Principles of Ultrasonography
- ❖ Sectional anatomy
- ❖ Radiographic pathology
- ❖ Image evaluation
- ❖ Administration of medical imaging department
- ❖ Research methodology
- ❖ Research project

## Publication and Pappers:

- ❖ Evaluation of Entrance Skin Radiation Exposure Dose for Pediatrics Examined by Digital Radiography at Asser Central Hospital-KSA,published in Open Journal of Radiology, 2015, 5, 125-130.

## Prizes Awarded:

- ❖ Excellence in Physics Prize , Sudan University Of Science and Technology -Sudan College of Medical Radiologic Scinces, Khartoum – Sudan (2001)
- ❖ Ideal Employee (Lecturer) - International Academy For Health Sciences, KSA- Hail (2008)

## Membership:

- ❖ Sudanese Medical Radiology Association (SUMRA)
- ❖ Radiological Society of North America (RSNA)

## Languages:

- ❖ Fluency in written and spoken Arabic mother tongue.
- ❖ Very Good in written and spoken english .

## Hobbies:

- ❖ Public Relations.
- ❖ Sport(Foot ball, Tennis and Swimming)
- ❖ Reading.
