Open access Journals? Risk of Predatory Journals

- The choice of the journal is very important
- The **duration** of the process of publishing depends not only on the quality of the manuscript but also on the choice of the journal and sometimes on the editor, associated editor
- Temptation: desire to try some rapid journal??
- Lesser impact factor? More appropriate journal? Open Access Journals?
- Fatal error/trap: Danger
 - Predatory journals
 - Fake metrics

List of Predatory Journals

This is a list of possibly [predatory journals](#). The kernel for this list was extracted from the archive of Beall's list at [web.archive.org](#). It will be updated as new information or suggested edits are submitted or found by the maintainers of this site.

This list is only for individual journals. See the other list for [publishers](#) potentially engaging in predatory practices.
